Sir:

In accordance with the Applicants' duty to disclose information which may be material to the examination of this application, the undersigned respectfully requests that the Examiner consider on the merits the documents listed on the enclosed Form PTO-1449 (modified) before issuing the next Office Action on the merits. Copies of the U.S. patent documents listed on the enclosed Form PTO-1449 (modified) are not enclosed in accordance with 37 C.F.R. § 1.98(a) (2) (ii). The document listed was cited in an Examination Report by the Chinese Patent Office for a related Chinese Patent Application. The document is the U.S. Equivalent of the Chinese Patent document.

The filing of this Information Disclosure Statement (IDS) shall not be construed as a representation that a search has been made (37 C.F.R. 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability, or that no other material information exists.

This IDS is being submitted after receiving an Office Action on the merits, but before receiving a Final Rejection or Notice of Allowance. Enclosed is a check for \$180.00, which is the fee set forth in 37 C.F.R. § 1.97(c). Thus, this IDS should be fully considered on the merits, in accordance with 37 C.F.R. § 1.97(d).

It should be noted that this is not a response to the Office Action dated February 21, 2007. A response to that Office Action will be filed at a later date.
